Accuratus 100 - USB Black Laser Etched Numeric Keypad

About

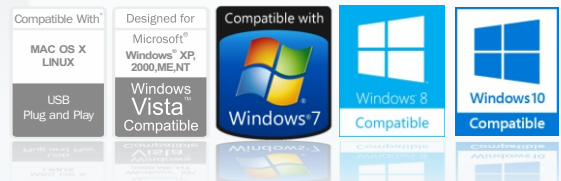

The Accuratus 100 Numeric Keypad is the ideal companion for all day data input and is small enough to minimise footprint and utilises ultra reliable membrane keys, the Accuratus100 keeps a low profile while delivering excellent feedback. Being so slim the Accuratus keypad is ideal for those who need to travel light yet require a durable device. Laser etched keys ensure that however hard you work the number pad, the legends will remain clear and easy to read.
