Order Code: KYBAC295-RFSET-B

Accuratus 295 RF Set - Wireless RF 2.4GHz Mini Super Slim Multimedia, Value Keyboard with Square Framed Laser Etched Keys & Wireless Mouse - Black

About

The Accuratus 295 RF Set is an extra slim mini wireless 2.4GHz value keyboard with a matching high resolution mouse, offering a working range of over 10 metres. The keyboard is a mini layout within a minimalist casing. The 295 has a special type of square framed keycap which are slim-line and have a soft touch and tactile feel, setting you up for hours of comfortable typing. With a framed keycap design, the keys cannot easily be pulled off, especially good for the EPOS sector and disruptive children in schools. The 295 is a value keyboard however it boasts excellent features to enhance durability such as UV protected keycap legends, meaning the letters will always remain fresh throughout the life of the keyboard.

The included mouse, has a high resolution offering precise and exact movement. In full size slim soft feel housing the mouse fits comfortably in your hand, perfect for long periods of use.

The 295 RF set is finished in black durable plastics giving a clean, fresh and modern feel to any home, office or computer environment.
