Accuratus Image Mouse - USB Full Size Glossy Finish Computer Mouse - Yellow

About

Image is all important in the mouse business, just as feel and accuracy play a major part. The IMAGE mouse from Accuratus blends subtle colours, style and precision into a mouse you can use on a daily basis. The IMAGE mouse is perfect for both left or right handed people. It has a low profile one piece button assembly, giving the product an almost perfect balance.

Available in almost any colour the image mouse will fit perfectly into your lifestyle, get a match for your laptop, your office or your corporate identity...

The Accuratus yellow IMAGE mouse is not only ideal for users who have a preference for yellow but it is excellent for high visibility and users that have certain sight deficiencies. A perfect match with the Accuratus Monster 2 High Visibility, Accuratus 260 High Vis, Accuratus Mini High Vis Hub and other high visibility keyboards.
